Community News

We went along on Tuesday 28th January 2025 to set up and showcase Brighter Dayz for the St Helens SEND information day at the Totally Wicked Stadium.

There was a wide range of Local Offer Marketplace Stalls and SEND information hub presentations throughout the day.

Community News

Great session
and very
informative

Wigan Parent Carer Forum are delighted to be hosting an Open Table Session facilitated by MP Josh Simons.

Friday 17 January 12:30 - 2pm for his Makerfield Constituents.

The Government has just announced an additional £740 million of investment for thousands of specialist places, some in mainstream. But we know that there are still many issues, so Josh Simons MP is hosting a meeting at Hindley Sports & Social Club to hear from as many of you affected by this as possible.

North West families:

Don't miss our family trip to Eureka Science and Discovery Centre
Join Contact for [a family trip to the Eureka Science and Discovery Centre in Wallasey](#) on Wednesday 19 February and find out about our homes, bodies and nature, and more.

Eureka! Science + Discovery is designed for children and young people up to 14 years to discover how Science, Technology, Engineering, Arts and Mathematics (STEAM) influence and shape their lives. Through connecting the everyday with the extraordinary, we ignite curiosities and present possibilities.

First Aid Training On the 14th March 2025

FIRST AID WORKSHOP
14TH MARCH 2025
10:00AM - 11:30 AM

This practical first aid training workshop, which helps parents/ carers to learn basic lifesaving skills using everyday objects. The workshop is not accredited, but is a free and simple way to improve first aid knowledge and build confidence.

During the workshop, participants will have the opportunity to practice hands-on techniques for administering CPR, treating wounds, and stabilising injuries

create your own
Sensory Room

Processing everyday sensory information can be extremely challenging for autistic children, as any of their senses may become over or under stimulated by their surroundings. That's why Caudwell Children's Autism Sensory Packs are specifically designed to support these children with affordable, fun, educational, and durable tools that help manage sensory experiences. Many items are compact and suitable for travel or use in school environments.

For eligible families, Caudwell Children will cover 80% of the pack's cost, requiring only a £22 contribution from the family. These packs provide great value and support for children on the autism spectrum, offering both enjoyment and sensory relief.

Apply now or contact the Applications team for more information, call 0345 300 1348 or email applications@caudwellchildren.com or chat via our Live Chat.

A big thank you !

This is a very big shout out to all the kind and generous people who have given over the past months for our fund-raising activities
